SUBJECT: Agenda Item 5G - 10/01/09 Board Meeting
Approve the Acceptance of Funds from Morro Bay National Estuary Program Mini-Grant Application

SUMMARY

On September 1, 2009, a grant application was submitted to the Morro Bay National Estuary Program for Education and Outreach. These grants are awarded in amounts up to \$5000. The purpose of this grant application is to increase the awareness of the role individuals play in protecting the natural resources of the Morro Bay watershed. The money provided will be used to hire resources to prepare the project that will be available to the LOCSD and the SLO County Partners in Water Quality. No District matching funds are required. The anticipated date of verification if our application is successful is approximately November 12, 2009.

RECOMMENDATION

Staff recommends the Board approve the acceptance of the funds from this grant should the District's application be successful.
