Subject: Water Ops Committee

Hi Jan,

Do you mind pulling out my old app for last time for Water Ops? I'd like to re-apply to that one! I will go to the ESC meetings but hope that there is enough volunteers for that one so that I don't need to feel guilty that I don't re-apply - I'm spread kinda this year!

Also, I don't know if there are lots of applicants for Water Ops - if new blood is found, I want to make sure everyone knows that I myself would be happy to see them selected over me, despite my having been on the committee for years, I will still show up and be in the audience! You can add this E to my app if this is appropriate.

Thanks so much Jan!!!
