DESCRIPTION

At its most recent regular meeting, the Board of Directors requested that the issue of supporting the naming of a nearby hill as Los Osos Peak be put on a future agenda. The item is therefore on for action at this meeting.

STAFF RECOMMENDATION

Staff has no recommendation for or against supporting the naming of the referenced peak. This is an item of policy that is purely up to the Board of Directors.

DISCUSSION

This is purely a policy decision for the Board of Directors. Although the Board of Directors does not have the power to name a peak, and the peak in question is outside the boundaries of the District, the Board, as such, does have rights of free speech. The Board, therefore, may elect to take a public position on the issue. If the Board desires to take a public position it may direct that a letter be issued to that effect, or may direct that a resolution or a proclamation be issued instead.
