The Los Osos/Baywood Park Chamber Membership committee, along with its board members, has been working to review and update Membership Benefits to better

focuses on enhancing member promotion through our monthly newsletter, using e-blasts on Wednesdays for digital flyers, and organizing a schedule for social media posts per tiers.

This month's newsletter introduces the "Newsletter Feature." These feature boxes can showcase a logo and contact information, or they can include the title and date of an event. Members can provide more details about themselves or their events through clickable links. To enjoy the benefits of your membership based on your tier level, contact us and please be patient as we improve the process.

Thank you for your continued support of the Los Osos/Baywood Park Chamber of Commerce.
