DESCRIPTION

Annually, various assessments are placed on the tax rolls for collection. This report requests the Board set a public hearing for July 1, 2021, for the collection of delinquent water charges and property tax assessments on the 2021/2022 property tax roll.

STAFF RECOMMENDATION

This item will be approved along with the Consent Calendar unless it is pulled by a Director for separate consideration. If so, staff recommends that the Board adopt the following motion:

Motion: I move that the Board set a public hearing for July 1, 2021, to receive public testimony on authorizing collection of charges for delinquent water charges and property tax assessments on 2021/2022 property tax bills.

DISCUSSION

By approving the staff recommendations, the District will follow the 2021/2022 tax roll timeline provided by the County Auditor. Each year a number of ratepayers fail to pay for services the District provides. State law enables the District to collect delinquent water charges on property tax bills. Also, in accordance with State law and County regulation, the District annually adopts resolutions to place various assessments on the tax rolls for collection. These include:

1. Bayridge Estates Annual Service Charge
2. Vista de Oro Annual Service Charge
3. Drainage Special Tax
4. Fire Protection and Prevention Services Special Tax
5. District No. 1 Wastewater Assessments

Staff has attached the 2021/2022 tax roll timeline and a sample of the letter the District has sent to delinquent water ratepayers.

Notices of the public hearing will be published in the Tribune on June 16, 2021 and June 25, 2020, per Government Code Section 61115(b) and 6066. Property owners with delinquent water charges were noticed to make payments by June 14, 2021. Any payments made by property owners on or before July 1, 2021 will be deleted from the list prior to submitting to the County Auditor.

The County also adds a charge for collection to the property tax bill. As a result, the District is not charged County costs. Coordination with the County on delinquent accounts is cost effective and promotes well governed communities.

Please be advised that as of May 17, 2021 there is a past-due balance in the amount of \$_____ for water service provided by the Los Osos Community Services District, at the above referenced address/Parcel number, which the County Assessor's Rolls reflect you are the owner.

As the property owner, and in accordance with the District Code, please remit payment payable to LOCSO, by Monday June 14, 2021 at 3 PM or the amount of the charges, penalties and delinquencies may be filed with the County Auditor to be placed on the parcel's property tax bill for collections.

"District Code – Title 2 – Section 2.01.05 – Responsibility of Property Owner

The owner of the property, in which services are furnished is the customer and shall be responsible for the payment of all rates, charges and fees, including penalties, thereon regarding such furnished services. Unpaid obligations shall run with the land, shall create a lien on the property, and shall lead to delinquency and termination of service for the property involved without regard to any changes of residency or occupancy by persons different than the persons shown on District records as obligated to pay said bill. Should the owner agree to allow a tenant or other third party ("Third-Party") to be responsible for the payment of rates, charges, fees, and penalties, the District will accommodate the billing to Third-Party, however, the owner remains ultimately responsible and subject to this section 2.01.05 of Title 2. The District will use commercially reasonable efforts to keep the owner informed if the Third-Party billing becomes delinquent, however, the District assumes no responsibility should the owner delegate payment obligations to a Third-Party. At any time, based upon reasonable grounds for uncertainty, the District may place the billing back into the name of the owner and bill the owner directly and not the Third-Party."

Please be advised that should payment not be received by Monday, June 14, 2021, a public hearing to place the delinquent water charges and any additional charges for service between now and June 15, 2021, will be placed on the County of San Luis Obispo FY 2021/2022 tax rolls. This public hearing will be held before the Los Osos Community Services District Board of Directors, at which time the Board shall hear and consider all objections or protests to the charges and/or their collection on the parcel's property tax bill.

The public hearing will be held at 6:00 p.m. on July 1, 2021. Please visit the Los Osos Community Services District website at www.losososcsd.org, or call 805-528-9370 on or after June 25th, 2021 for confirmation of location.

If you have any questions or concerns regarding this matter, please feel free to contact our Utility Billing Specialist, Alicia Zuniga at 805-528-9378.

Sincerely,

Ron Munds
General Manager and Secretary to the Board of Directors
