KIDICAL MASS

THE YOGA LAB

experiment • discover • grow

Saturday, August 22nd • 11:30 am
1204 2nd Street, Los Osos, CA

Join us as we celebrate the exciting expansion of
The Yoga Lab and its growing presence in the
Baywood Park community with a Ribbon Cutting!

Calling all makers, creators, dreamers, and doers!

The Los Osos/Baywood Park Chamber of Commerce has launched a new **Artisan Membership** designed specifically for creative individuals who may not yet have an established art business.

This membership tier is a great fit for home-based artisans, emerging makers, and creatives without a storefront who want to expand their visibility and strengthen connections within the local community.

Members will receive a variety of valuable benefits, including access to our weekly members-only e-blast, listings in both our online and annual printed directories, promotional opportunities through our social media channels, and a stronger presence within the vibrant Los Osos/Baywood Park business community.

The **Artisan Membership** reflects our commitment to supporting and elevating local talent by helping creatives share their work and grow their presence.

The annual membership fee is \$75

For more information contact Dawn Rodden, LOBPCC Membership Chair, info@lobpchamber.org
