Utilities Department Updates

Utilities Department Updates

Program C Well Project

Project is on target to be completed in March 2025.

Supervisory Control and Data Acquisition (SCADA) System Modernization Project

A kickoff meeting with the consultant was held in December. Thorough site visits were performed, and a 50% design workshop is scheduled for February.

Groundwater Monitoring Well Project – LA 14 & 16

The rehabilitation work is scheduled for the week of January 27th and should take about a week to complete.

FEMA & Cal OES Applications

Work on both applications is complete, and staff is waiting for feedback and additional information requests from the two agencies.
