On **Tuesday, March 17**, Morro Bay High School (MBHS) will host a small-scale career fair from 11:30 a.m. to 1:30 p.m. in the MBHS Gym, located at 235 Atascadero Road, Morro Bay. This event is designed to introduce students in grades 9–12 to a wide range of career pathways within the County and beyond.

Participating organizations will have the opportunity to engage with students through one-on-one conversations, informational materials, demonstrations, and more. The event also provides a great platform to share information about available internship and volunteer opportunities.

This is not a “cattle call” – style event; however, businesses with open internship or volunteer positions are welcome to promote those opportunities to students.

Registration is required to participate. Businesses interested in attending should contact Julia MacIntosh for registration details at jmacintosh@slcusd.org or **(805) 771-1845 ext. 32009**.
