### DESCRIPTION

Article 13B of the California Constitution limits the total appropriation funded by proceeds of taxes to amounts adjusted each year by the change in cost of living and the change in population. There are a number of exceptions allowed. One exception is appropriation for debt service.

### STAFF RECOMMENDATION

This item will be approved along with the Consent Calendar unless it is pulled by a Director for separate consideration. If so, Staff recommends that the Board adopt the following motion:

***Motion: I move that the Board adopt Resolution 2017-16 establishing the District's appropriation limit of \$8,825,379 for Fiscal Year 2017/2018.***

### DISCUSSION

Each year as part of the budget process, the District determines its appropriation limit in accordance with Article 13B of the California Constitution. This is also more commonly known as the Gann Initiative on Spending Limits. The limit is computed using demographics data provided by the State Department of Finance on cost of living or per capita income change for the State and population change in the applicable area. In the District's case the population in the unincorporated area is used. The appropriation limit of the District for fiscal year 2017/2018 increased by 4.3% or \$ 363,846 over the prior year.

The historical trend of the District's appropriation limits since the inception of the District is shown on Exhibit A to the resolution.
