STAFF RECOMMENDATION

Staff recommends that the FAC adopt the following motion:

Motion: I recommend to the Board, that the Board receive and file the financials for the period ending August 31, 2026.

DESCRIPTION

The attached are the Statement of Revenues and Expenditures and Balance Sheets for August 2026. Most items that are off are annual charges or have already been mentioned in previous reports. Below are some of the financials of note.

GL	Fund	Description	Explanation
6230	301	Medical Exam	The District hired 7 new Reserve Fire Fighters.
7211	301	Misc. Fuel & Diesel	There will be a mid-year adjustment for this item. We are tracking and believe this is an expense that will happen between 2-4 times per year depending on call volume.
7326	500	Legal Services	The District will track and a mid-year adjustment will be made if needed.
6422	500	R&M Hydrants	This is due to the District replacing a hydrant that a County employee damaged. We submitted reimbursement for the cost.
6345	900	Property Taxes & Assessments Cost	At the time of budget approval, the District did not know if the parks & Rec tax would pass. A Mid-year adjustment will be made.

The attached are the Statement of Revenues and Expenditures and Balance Sheets for August 31, 2026.

DISCUSSION

At the August 31, 2026, FAC meeting, the Committee requested information regarding the 34.72% increase in the District's LAFCO charge. The increase is primarily attributable to the District's qualifying revenue increasing relative to the other special districts included in the LAFCO revenue pool for Special District. The County uses financial information reported through the California State Controller's Office Financial Transactions Report to calculate each special district's proportionate share of LAFCO costs.

The fiscal year used for the current LAFCO calculation is Fiscal Year 2023-24, which was the year the District received approximately $1.2 million in Cal Fire refund funds from the County, as well as grant funding for Program C. These revenues increased the District's qualifying revenue by nearly $2 million above typical levels, resulting in a higher proportionate share of LAFCO's costs and, consequently, a 34.72% increase in the District's charge, while LAFCO's overall budget increased by approximately 10.8%. Staff anticipates that the District's percentage may decrease in future years as revenue returns closer to historical levels; however, future changes will depend on the revenues reported by all special districts in the County.
