As this is my first Board meeting as General Manager, I would like to thank the Board for the opportunity to serve the Los Osos community in this capacity. During my first two weeks, I have enjoyed meeting staff, learning about District operations, and becoming acquainted with the many projects and initiatives underway. I have been impressed by the professionalism and dedication of the District team and look forward to working with the Board, staff, and community in the years ahead.

Over the coming months, one of my priorities will be listening and learning. I plan to spend time with staff, Board members, partner agencies, and community members to better understand the District’s strengths, challenges, and opportunities. As I become more familiar with the organization, I look forward to sharing my observations and recommendations with the Board and helping shape priorities for the future.
