**Letter of Commitment for Participation in Fuel Reduction Projects**

I \_\_\_\_\_ give my commitment to participate with the San Luis Obispo County Fire Safe Council (a not for profit organization) in the Fuels Reduction Project outlined below. I will participate freely in the project. I consent to fuels reduction work being undertaken on my land.

As the landowner, I will hold harmless the San Luis Obispo County Fire Safe Council and (any other entity involved in this project) in connection with any loss or liability or injury to persons or property that arise from performance of work under this agreement.

San Luis Obispo County Fire Safe Council will hold harmless the Landowner in connection with any loss or liability or injury to persons or property that arise from performance of work under this agreement.

Work crews will have liability insurance provided by contractor or San Luis Obispo County Fire Safe Council for work on Landowner's property.

The term of this agreement shall be from \_\_\_\_\_ until terminated by either party.

Within the dates specified, the San Luis Obispo County Fire Safe Council shall give me the landowner reasonable actual notice at least two weeks in advance, and any necessary arrangements will be made prior to each requested access. Reasonable and actual notice may be given by mail, in person, or by telephone. This agreement can be amended only by prior written notification of either party executing this agreement.

I will participate in this project in the following ways:

\_\_\_ I will allow fuels reduction activities to take place on my property. The extent of those activities will be:

Dense brush will be cleared using a combination of dozers, mastication equipment, and/or handcrew methods. Slash will be disposed of by pile burning, broadcast burning, and/or chipping or left as is on site.

\_\_\_ I will volunteer my time to assist in this fuel reduction work.

\_\_\_ I will donate materials and/or use my own equipment for this fuel reduction work.

The value of my in-kind donation (either time or materials) will be approximately:

\_\_\_\_\_

\_\_\_ I will assist in educational efforts to teach my neighbors and other community members about the benefits of fuels reduction work on our properties.
