## **NOTICE OF CANCELLATION**

Notice is hereby given that the regular meeting of the Parks and Recreation Advisory Committee (PRAC) scheduled for Tuesday, June 16, 2026, has been cancelled. Staff is currently evaluating due diligence activities related to the Sunnyside Elementary School property that may affect future financial and operational planning. Staff has determined that additional information should be developed before the Committee undertakes a more detailed discussion of a park budget associated with the property should Measure B-26 succeed. Additionally, the anticipated timeline for any potential acquisition and operation of the site does not create an immediate need for Committee action at this time.

The Committee's next regular meeting will be held on July 21, 2026.
