- Water billing occurs every 2 months (60 days) of consumption. Billing is due on the 15th by 5:00pm following bill date (includes weekends). If paid after the 15th, account is subject to 10% penalty/late fee and possible disconnection
Any representing Agent will be required to provide a copy of Property Management Agreement showing owner authorization.
2.01.05 - Responsibility of Property Owner: The owner of the property, in which services are furnished is the customer and shall be responsible for the payment of all rates, charges and fees, including penalties, thereon regarding such furnished services. Unpaid obligations shall run with the land, shall create a lien on the property, and shall lead to delinquency and termination of service for the property involved without regard to any changes of residency or occupancy by persons different than the persons shown on District records as obligated to pay said bill. Should the owner agree to allow a tenant or other third party ("Third-Party") to be responsible for the payment of rates, charges, fees, and penalties, the District will accommodate the billing to Third-Party, however, the owner remains ultimately responsible and subject to this section 2.01.05 of Title 2. The District will use commercially reasonable efforts to keep the owner informed if the Third-Party billing becomes delinquent, however, the District assumes no responsibility should the owner delegate payment obligations to a Third-Party. At any time, based upon reasonable grounds for uncertainty, the District may place the billing back into the name of the owner and bill the owner directly and not the Third-Party
