Matthew D. Fourcroy
Vicki L. Milledge
Marshall E. Ochylski

General Manager
Ron Munds

District Accountant
Robert Stilts, CPA

Unit Chief
Scott M. Jalbert

Battalion Chief
Paul Provence

The meeting was called to order at 5:33 and the minutes approved.

The 10th St well was discussed during the Utilities Department Update. 10th St well has been down since mid-June. It had been determined that the well needed to be cleaned and Filipponi & Thompson recommended using WellJet for the cleaning. The board approved the cleaning and Filipponi & Thompson got back on the well, cleaned it, and when they were bailing encountered fine sand that almost stuck their tools in the well. The fine sand clogged our pump and the well is back down. Filipponi & Thompson videoed the well and we should be able to review this week. We will need to fix the well, or in the worst case re-drill.

General Manager Munds updated the Committee on the Los Osos Community Plan Update water issues. The Flowchart from the Planning Commissions meeting was reviewed showing a timeline and all the pieces that would have to come together to allow future development in Los Osos. The next meeting concerning the Community Plan Update will be the Planning Commission on October 8th. This meeting will be mostly concerned with HCP questions.

The next Utilities Advisory Meeting is planned for Wednesday, September 16, 2020 at 5:30 pm.
