STAFF RECOMMENDATION

Staff recommends the Board of Directors nominate Eric Riddiough, Assistant General Manager/District Engineer, as the CSD's alternate representative to the SLO County Water Resources Advisory Committee.

This item will be approved along with the Consent Calendar unless it is pulled by a Director for separate consideration. If so, Staff recommends that the Board adopt the following motion:

Proposed Motion: I move to appoint Assistant General Manager/District Engineer Eric Riddiough as the Los Osos Community Services District's alternate representative to the San Luis Obispo County Water Resources Advisory Committee (WRAC) and authorize staff to submit the nomination to the San Luis Obispo County Board of Supervisors for confirmation.

DESCRIPTION

Staff is requesting the Board of Directors appoint Assistant General Manager/District Engineer Eric Riddiough as the District's alternate representative to the San Luis Obispo County Water Resources Advisory Committee (WRAC). Eric Riddiough would replace Ron Munds, who retired in August. The alternate representative provides continuity of District representation on the WRAC when the primary representative, currently Director Cesena, is unavailable. Upon Board approval, the nomination will be submitted to the San Luis Obispo County Board of Supervisors for confirmation.

WRAC provides a forum for representatives of local agencies, organizations, and interested parties to discuss water resource issues affecting San Luis Obispo County. The CSD's participation allows it to remain informed and engaged in Countywide water resource discussions and provides an opportunity to represent the CSD's interests on matters related to water resources.
