**DESCRIPTION**

Construction Bid attached for \$9500 from John Madonna Construction to perform the sewer lateral construction services needed at Station 15-South Bay.

**STAFF RECOMMENDATION**

This item will be approved along with the Consent Calendar unless it is pulled by a Director for separate consideration. If so, Staff recommends that the Board adopt the following motion:

***Motion: I move that the Board approve the construction bid from John Madonna Construction in the amount \$9500 to perform the sewer lateral connection for Station 15-South Bay and for construction to start immediately.***

**DISCUSSION**

Kari Wagner from the Wallace Group reached out to three contractors; Power Plumbing, John Madonna, and Mike Burton Trucking. All bids were due January 23<sup>rd</sup>. Only one bid was received from JMC for \$9500. Power Plumbing declined and they never received a response from Mike Burton Trucking. It is Ms. Wagner's opinion that John Madonna Construction's bid is reasonable and meets the intent of the contract documents.

**FINANCIAL IMPACT**

This item was budgeted for under the "Septic Maintenance Reserve Fund" (100 code 3166) which contains \$17,300.

Attachment for your review and approval is the John Madonna Construction Bid.
