STAFF RECOMMENDATION

Staff recommends that the Board adopt the following motion:

DISCUSSION

Notification of nominations for three seats on the SDRMA's Board was mailed to the membership in January 2015. On February 5, 2015, your Board nominated President Wright as a candidate for election to the SDRMA Board of Directors.

On May 6, 2015, SDRMA's Election Committee reviewed the nomination documents submitted by the candidates and confirmed that four candidates, including President Wright, met the qualification requirements and were placed on the Official Election Resolution Ballot. Each candidate's Statement of Qualifications is attached.

An election packet, official ballot and instructions for the 2015 SDRMA Board of Directors election were received by the District, as a participating program member, on May 19, 2015. The District contracts with SDRMA for Workers' Compensation Insurance.

The term for the three seats will be four (4) years, beginning on January 1, 2016 and expiring on December 31, 2019.

Why do you want to serve on the SDRMA Board of Directors? (Response Required)

SDRMA's services are particularly important to the successful operation of smaller special districts, such as the one I serve. I would like to contribute what I can to ensuring that SDRMA continues to provide its vital services to its member agencies, prudently and cost-effectively.

Board oversight can be time-consuming. Due to my personal circumstances (retired, single, two hours from Sacramento), I will be able to participate regularly in Board activities.

What Board or committee experience do you have that would help you to be an effective Board Member? (SDRMA or any other organization) (Response Required)

I have been a member of the governing Board of the Groveland Community Services District (water, sewer, fire and parks district) since June 2013. I've served as Board President since January 2014.

Since February of 2010, member of the Board of Pine Cone Performers, a community choral and drama organization.

During 1995 to 2001, I was a delegate to the Institute of Electrical and Electronics Engineers (IEEE) committees working on standards development in the area of wireless communications.

Candidate's Statement of Qualifications**

**What special skills, talents, or experience (including volunteer experience) do you have?
(Response Required)**

In my work career in the semiconductor industry, I managed business operations and organizations with annual budgets in the range of ten to twenty million dollars, so I have a good working knowledge of budgeting and accounting principles. My academic background (BS in Physics, MS in Computer Science) and work experience have given me a solid understanding of statistical modeling and economic cost-benefit analysis.

What is your overall vision for SDRMA? (Response Required)

SDRMA has a well-defined role in providing comprehensive insurance coverage to member agencies. Clearly, continuing this function is central to its future operations. I would like to see continued expansion of the educational and loss-prevention aspects of the operation, as these are the keys to improving cost-effectiveness. However, as an insurance entity, prudent financial management is of paramount importance, and functional expansion must be thoughtfully controlled.

I certify that I meet the candidate qualifications as outlined in the SDRMA election policy. I further certify that I am willing to serve as a director on SDRMA's Board of Directors. I will commit the time and effort necessary to serve. Please consider my application for nomination/candidacy to the Board of Directors.

Why do you want to serve on the SDRMA Board of Directors? (Response Required)

When appointed to the Board of Directors of SDRMA in November of 2010, and my election to the Board 2012, I made a commitment to be an effective member of the SDRMA team and to work hard to ensure the continued success of the organization. As a Board member, I believe I have shown that I seek to understand issues and use common sense when making decisions. I wish to continue my service to SDRMA, as I can be a positive member of the SDRMA team and an asset to the members, Board and staff.

What Board or committee experience do you have that would help you to be an effective Board Member? (SDRMA or any other organization) (Response Required)

I currently serve on the Board of Directors of the SDRMA and serve as Secretary. I have been an elected Director of the Chino Valley Independent Fire District since 2004. During my tenure, I have served multiple terms as President and Vice-President, and as a member of our Finance, Planning, and Personnel Committees. I have served as Liaison to the City Councils of Chino and Chino Hills and to the San Bernardino County Board of Supervisors. I am also the District's representative and current Chairman of the Citizens Advisory Committee for the California Institution for Men in Chino. I am a member of the Chino Valley Lions Club. I also serve on the Governing Board of the Green Valley Lake Mutual Water Company.

Candidate's Statement of Qualifications**

**What special skills, talents, or experience (including volunteer experience) do you have?
(Response Required)**

After serving in the US Army, I enjoyed a lengthy career in law enforcement retiring in 2004 as a Police Lieutenant. I learned early in my career, that to be an effective individual and leader, it was important to actively listen to people; to seek understanding of all sides of an issue; and make decisions based on common sense and "rightness".

My experience as an elected official has broadened my knowledge and reinforced my belief that decisions must be made based on what is right, and not on what is a personal preference.

What is your overall vision for SDRMA? (Response Required)

I see SDRMA as continuing its journey as a successful, effective and efficient service provider through innovation, right thinking and conservative business strategies. I can visualize the organization exploring other avenues of financial endeavors that will benefit our customers.

I certify that I meet the candidate qualifications as outlined in the SDRMA election policy. I further certify that I am willing to serve as a director on SDRMA's Board of Directors. I will commit the time and effort necessary to serve. Please consider my application for nomination/candidacy to the Board of Directors.

Why do you want to serve on the SDRMA Board of Directors?

I am a current Board member of SDRMA and feel that I have added my financial background to make better informed decisions for our members. As a Board member, I have learned a lot about insurance issues and look forward to representing small District's and Northern California as a voice on the SDRMA Board. I feel I am an asset to the Board with my degree in business and my 29 years' experience in accounting and auditing. I have audited small districts and know what they need and what they can afford.

I understand the challenges that small District face every day when it comes to managing liability insurance and worker's compensation for a few employees with limited revenues and staff. My education and experience gives me an appreciation of the importance of risk management services and programs, especially for smaller district's that lack expertise with insurance issues on a daily basis.

I feel I am an asset to this Board and would love a chance to stay on the Board for 4 more years.

What Board or committee experience do you have that would help you to be an effective Board Member? (SDRMA or any other organization)

I have worked as the District Clerk for the Herlong PUD for the last 7 years. Before that, I served as the Secretary to the Board of Herlong Utilities, Inc. and Office Administrator. I worked directly with the formation of our District which included working for 2 separate Board's of Directors and the transfer of assets from a public benefit corporation to a special district. As part of the team that worked to form the District I was directly involved with LAFCo, Lassen County Board of Supervisors and County Clerk to establish the District's initial Board of Directors as well as the transfer of multiple permits and closure procedures from multiple agencies for the seamless transition of our District operations. I closed out the Corporation books and established the books for the District transitioning to fund accounting. I have also administered the financial portion of a large capital improvement project with USDA as well as worked on the first ever successful water utility privatization project with the US Army and Department of Defense. I am currently working on HPUD's 2nd loan/grant for 4.8 million with USDA to improve the community's sewer system. I also am the primary administrator of a federal contract for utility services with the Federal Bureau of Prison.

While on the SDRMA Board, I have served on the nomination committee and SDLF Board. I have enjoyed learning and completing my duties on both boards and feel I have been an asset to both. I have served on CSDA's Audit and Financial Committee's for the last 2 years. In the last 20 years I have served on several Boards including school, church, 4-H, County and U.C. Davis.

**Special District Risk Management Authority

Candidates' State of Qualifications**

What special skills, talents, or experience (including volunteer experience) do you have?

I have my Bachelors Degree in Business with a minor in Sociology. I have audited Small Districts for 5 years, worked for a Small District for 10 years and have 25 years of accounting experience. I am a good communicator and organizer. I have served on several Boards and feel I work well within groups or special committees. I am willing to go that extra mile to see things get completed.

I believe in recognition for jobs well done. I encourage Incentive programs that get members motivated to participate and strive to do their very best to keep all losses at a minium and reward those with no losses.

I have completed my Certificate for Special District Board Secretary/Clerk Program in both regular and advance coursework through CSDA and co-sponsored by SDRMA. I have completed the CSDA Special District Leadership Academy and Special District Governance Academy. I have helped my small District obtain their District of Transparency and currently we are working on the District of Distinction.

I work for a District in Northeastern California that has under gone major changes from a Cooperative Company to a 501c12 Corporation, to finally a Public Utility District. I have worked with LAFCo to become a District. Also my District is currently working on a consolidation through LAFCo with another small District to better serve our small community. Through past experience I feel I make a great Board member representing the small districts of Northern California and their unique issues and will make decisions that would help all rural/small districts.

What is your overall vision for SDRMA?

For SDRMA to be at the top of the risk management field and have all of the Special Districts in the State utilizing their quality insurance and support at a price all California Special Districts can afford.

I certify that I meet the candidate qualifications as outlined in the SDRMA election policy. I further certify that I am willing to serve as director on SDRMA's Board of Directors. I will commit the time and effort necessary to serve. Please consider my application for nomination/candidacy to the Board of Directors.
