### **SLO County Growth Management Ordinance (GMO) Update**

BMC staff met with County Planning to discuss the GMO on Friday, July 26<sup>th</sup>. County staff provided a general timeline for the public outreach meetings and the date for the Board Supervisors (BOS) meetings. Schedule is as follows:

- BMC presentation- August 21<sup>st</sup>
- LOCAC presentation- TBD
- Town Hall- about 2 weeks prior to the BOS meeting
- BOS meeting- October 29<sup>th</sup>

The County is still working on the format of the Town Hall meeting but said it will cover the Los Osos Community Plan, GMO, sewer connections and Habitat Conservation Plan. They did say the format will provide ample time for community questions and answers. Additionally, this will be on the Utilities Advisory Committee meeting agenda on August 21<sup>st</sup> with any follow-up details provided to the Board at the September 5<sup>th</sup> Board meeting.

At the meeting, BMC staff was given opportunity to provide comments on the framework of the GMO; details will be available soon on the final framework of the GMO based on the discussions.
